MarineOmega™

MarineOmega™ is a supplement formulated using refined fish oil extracted from fatty fish such as fresh sardines and salmon, and compressed oil from Antarctic krill found in the deep seas off Antarctica, virtually free of pollution.

MarineOmega™ assists in the everyday health and vitality of people sensitive to changes in season or environment, people taking a proactive approach to the primary prevention of lifestyle diseases, and people wanting to improve brain function in their daily lives.

Benefits:

- Promotes a healthy immune response*
- Promotes cardiovascular health*
- Supports brain function and wellness*
- Improves joint function and mobility*
- Promotes skin health and beauty*

Features:

- Has a high ratio of omega-3 to omega-6 polyunsaturated fatty acids
- Uses an ultra-pure source of fresh fish oil that has tested free of toxins, pollutants, and heavy metals
- Includes natural lemon oil, for a pleasant aroma and minimal fishy flavor
- Contains krill oil that provides multiple benefits:
- Provides highly bioactive EPA and DHA in a unique phospholipid form targeted for use in the brain and cell membranes throughout the body*
- Contains the powerful antioxidant carotenoid astaxanthin
- Contains a unique flavonoid—the first flavonoid extracted from a non-plant or algae source
- Is high in phospholipids

Active**Ingredient:**

MarineOmega™ is a unique and potent source of EPA and DHA omega-3 fatty acids from ultra-pure fish oil and Antarctic krill, a small crustacean found in abundance in the ocean.

Price:

\$39.00 (one-month supply)
